

## Election Recounts Show Little Change

Two election recounts in Crawford County Board of Commissioners races resulted in little change in the final totals.

In District 3, One write-in vote for a candidate not on the ballot, Joseph Veresh, was found during the recount of a Beaver Creek precinct. Incumbent Walt Nowak remains the winner of the Democratic nomination with a total of 99. Veresh had asked for the recount.

In District 5, no changes were made in the official vote tally. Both candidates also were able to look at more than 50 spoiled ballots from the district. Incumbent Walt Nowak, who requested the recount, said the votes were shared on the spoiled ballots between himself and his opponent Don Welser. Welser remains the winner of the Republican nomination by a total of 106 to 95.

Nowak said he is considering seriously a write-in/sticker campaign for the November election. He expects to make his decision sometime this week.

## 2 Lehman Walkaways Caught; 1 at Large

Two Camp Lehman walkaways were arrested last week but one remained at large. Grayling City Police, assisted by Crawford County Sheriff deputies, caught two Lehman men last Thursday on the south side.

Still on the loose is Tim Crane, 21, a white male, 5'7", 145 pounds, brown hair and brown eyes, medium complexion, and thin build. Arrested were Jim Reed, 27, and Nicholas Mladenoff, 30. The three men escaped from Camp Lehman on Monday, Sept. 13.

## Classes Now In Session

## Still Time To Register For Adult High School Classes

Classes began this past Monday in Grayling's Adult High School Completion Program at the high school. The program is offered to local residents by the Whittemore Prescott School District through a consortium agreement with the local school district.

Classes are offered free of charge to any area adult who can apply the credit toward their high school diploma. Registration for classes will continue throughout this week and next.

Those who would like to register for adult classes may do so any evening, Monday through Thursday from 6:30 until 8:00 p.m.

Classes being offered this semester are American History and math/science on Monday evenings; government and typing on Tuesday nights; American Literature and consumer education on Wednesday nights; and English and woodshop on Thursday nights.

Anyone who already has their high school diploma but would like to audit classes in the program may do so by paying a tuition fee of \$35.00 per class.

## Fair Board Forming Meeting

On Monday evening Sept. 27th at 7 p.m. you are invited to participate in the formation of a Crawford County Fair Association and the election of its Board of Directors in the basement of the Crawford County Courthouse.

The agenda for the evening will be: introduction of the steering committee, brief history of the committee work, open discussion with question and answer time, organization of the Crawford County Fair Association, and the election of Board of Directors.

Please plan to attend and become instrumental in Crawford County's first County Fair.

## Thank You! You Wonderful Blood Donors!

You did it again!

One hundred forty two of you Good Neighbors came to the Legion Hall last Wednesday to give a pint of your precious blood to help save some fellow human's life!

That is the largest Blood Bank in five years and is the second largest in our recorded history!

What more can we say?

You are great! You are compassionate! You are truly wonderful!

And we thank you for your most generous of gifts of your blood on behalf of all those whose lives your gifts will save!

## Computers Intrigue GHS Students

by Jon Thompson

Grayling High students can't get enough of the 12 new microcomputers donated by the Weyerhaeuser Foundation.

Some roll out of bed early to get to school by 8 a.m. when high school instructor Mike Smith opens the doors to the computer room. Others stay late after school to punch in instructions to the Radio Shack microcomputers.

Bought and installed this summer from part of a \$16,000 grant from Weyerhaeuser, the 12 microcomputers and main computer give GHS one of the best computer centers among northern Michigan schools.

Already 72 students are taking computer introduction courses taught by Smith.

In addition, writing classes will be using the microcomputers as word processors, business classes will be using them in vocational training, and science, math, and other classes will be using the machines as extra teaching tools.

"Enthusiasm is high for the microcomputers," Smith said. "Both with students and teachers."

Students ask him for more time on the machines so Smith comes in early to open the new computer room - a

former math classroom - and stays late to keep the room open.

"They just can't get enough of the microcomputers during class time," he said.

Smith said the Radio Shack machines are excellent models. Their capabilities are far reaching, they have plenty of storage, and little maintenance is required. A printer is included in the computer hook-up allowing for print-outs from any of the 12 microcomputers or one main computer.

Students are beginning to form a new computer club

## NAHRO Meeting In Grayling Sept. 15-16-17

by Lora Gould

Nahro (National Association of Housing and Redevelopment Officials) held their Fall Conference September 15, 16 and 17 in Grayling at the Holiday Inn. The first morning was taken up with Nahro business meeting and reports.

Mayor Gordon Thompson welcomed the group and presented Fran Yoaham, State President with a canoe paddle, courtesy of Carlisle Canoe Paddles at the luncheon. Rev. Fraser gave the invocation for the luncheon.

Phillip Ruppe, Republican candidate for U.S. Senate was the luncheon speaker. His topic, "The Future of Housing for the Elderly".

The first of the afternoon sessions was conducted by Carol Husband, Relocation Supervisor for the City of Lansing. The panelist were Rafael Metzger, Fair

Housing and Equal Opportunity Specialist Hud and Marge Connor, Contract Compliance Officer, City of Saginaw.

The second on "Common Audit Findings and How to Avoid Them". Moderator Lou Teceno of the Big Rapids Housing. The panelist were Tom Jones, Ron Wooster and Pete Manugerra of Hud (management teams).

The community development topic was "Issues in 1982".

The 5:30-8:00 Social Hour included Tina Kennedy providing organ entertainment and a skit by Bill Bosserman of Roscommon.

Friday's general session was held on new rent ratios and how they relate to Performance Funding.

The Federal Government's Housing Community Development Act of 1981

raised the rent charged in public and section 8 housing to 30% of income instead of 25% as in the past. The various rules on the gradual five year implementation were discussed and questions answered by the Hud Officials.

The conference was hosted by Lora Gould, Executive Director of the Grayling Housing Commission. Mrs. Gould is also the Upper Michigan Vice President of Nahro.

All of Grayling can take great pride in the Holiday Inn of Grayling. Joan Cox and Hertha Laupmanis graciously assisted in every way possible to make this an outstanding conference.

## Part of AuSable May Be Scenic River System

by Phyllis Green

The AuSable is just one of Michigan's rivers which has the potential to be included in the National Wild and Scenic River System. Recently, President Reagan recommended to Congress that 23 miles from Mio Pond to Alcona Pond be designated as a Wild and Scenic River. The proposed area encompasses 6,210 acres, including 600 acres in private ownership. About 800 acres are owned by the State of Michigan, and the rest of the area, approximately 4,800 acres, are Federal lands in the Huron National Forest. Administration of the river would be by the Huron-Manistee National Forests, Dept. of Agriculture, Forest Service. The area recommended possesses no feasible hydro-electric power site. Also, the designation would have a negligible effect on the timber resource and no effect on the mineral resources.

A detailed study of the AuSable was conducted by the Forest Service in cooperation with other Federal and State agencies. An amendment to the Wild and Scenic River Act designated a large porportion of the river to be studied: downstream from Foote Dam to Oscoda and upstream from Loud Reservoir to its source, including principal tributaries and excluding Mio and Bamfield Reservoirs. In total, 165

miles were studied and 91 miles had the qualifications to be included in the Wild & Scenic River System. However, after review of the draft proposal in 1979, only 74 miles of the qualifying sections were considered for inclusion. The more intensively developed North Fork was excluded from the preferred alternative. Since then a final review of the proposed alternative has been re-examined because of changing economic conditions. The USDA, Forest Service recommended the proposed alternative of the final report be modified to minimize the impacts on private land. Eliminating 51 miles of the qualifying segments also eliminated potential impacts on over 9,000 acres of private land within the river corridor.

Public involvement has played an important role in development of the AuSable Wild and Scenic River proposal. Through public meetings, formal hearings, and written comments the public and the State of Michigan expressed support for designation of the river property. Owners were concerned that designation of the river would affect their property rights. Private land owners also strongly opposed a major Federal role in the protection and management of the river area. The cost of implementing a Wild and Scenic River program in an area where

private lands predominate are prohibitive. However, strong support exists to protect the river through a local cooperative effort. To meet this objective, Forest Supervisor Wayne Mann stated that the Forest Service will not only protect the 23 miles included in the designation, but will also, on all National Forest lands within the River corridor, protect the river values the people prize so highly. The Forest Service will also cooperate with State and local units of government to achieve the protection of the AuSable River.

If Congress approves the AuSable Wild and Scenic River proposal, the next step will be to develop a detailed management plan by the Forest Service with input by the State and local governments and the public. The plan will explore a full range of management alternatives to help alleviate any impacts of the designation on private landowners. The plan will probably take 5 years to develop.

Copies of the AuSable River Final Report and Environment Impact Statement are available for review at the Supervisor and District Ranger offices of the Huron-Manistee National Forest. In addition, copies are available by request at your local library through the Michigan cooperative library loan system.

**KIRTLAND RECEIVES GRANTS**—William Boehner, Weyerhaeuser Company (left) informs Kirtland Community College President Raymond D. Homer, that Kirtland will receive \$18,113 worth of grants for equipment and teaching aids for two programs.

## Kirtland Grants For Nursing-Tech Program

On Monday, September 13, William Boehner, representing Weyerhaeuser and the Weyerhaeuser Company Foundation, informed Kirtland Community College

that they are the recipient of two grant awards, to be used for equipment and upgrading for the Associate Degree Nursing Program (R.N.) and the Electro-Technology program.

A grant for \$4,590 will be used in the ADN program to purchase equipment and health teaching aids. A grant for \$13,523 was authorized for use in the electronics program to acquire new equipment necessary to prepare the college to teach electronics (logic) and other specific skills to Weyerhaeuser employees, and to members of the educational and industrial community.

The Weyerhaeuser Foundation was formed in 1948 as a separate and independent, tax-exempt organization and is the major means of philanthropy for Weyerhaeuser Company. In 1981, the Foundation authorized the expenditure of more than \$4 million; made 481 grants (exclusive of matching gifts).

supported 214 scholarships and fellowships; and gave in 44 states, Washington D.C., Canada, and overseas.

In 33 years of grant making, the Foundation has given over \$40 million to educational, social, health/cultural, and civic organizations, primarily in communities where the company has major facilities.

Weyerhaeuser Company gives substantially in the field of education for several reasons: to improve the quality of education in communities in which Weyerhaeuser company employees reside; to support organizations, programs and projects that address issues relevant to the forest products industry; to increase the pool of trained professionals in industry-related fields; to increase educational diversity; and to reward and provide incentives to students for academic achievement.

## Lansing Report

By State Rep. Ralph Ostling

### State Government Should "Say Yes"

To Michigan Firms:

I believe state government should "say yes" to Michigan corporations. That's why I'm backing legislation introduced last week requiring agencies to give preference to home-based businesses when awarding contracts.

The bill, which received broad bipartisan support, will be considered in the House Committee on State Affairs.

The state has embarked on a multi-million dollar media campaign to lure businesses and tourists into Michigan. Yet when it comes to awarding contracts, the government consistently goes outside Michigan to seek goods and services.

Michigan taxpayer dollars are being spent to support the economics, the businesses and workers of other states at a time when our economy is a shambles, businesses are closing down at a record rate and more than 600,000 men and women are out of work.

It's a counterproductive policy that should be changed.

The legislation would not mandate that all contracts be awarded to Michigan firms, but that preference be given to them.

In other words, if a bid comes in from a Michigan firm that is very close, yet still higher than an out of state bid, the state firm would get the contract.

We must remember that these are taxpayer dollars we are spending. There is a strong and growing sentiment that Michigan dollars should be spent in Michigan to support Michigan business. I agree, and that's why I am supporting this bill.

### Bad Habit

Never race the engine when starting the car or rev up the engine before you turn it off. This is a waste of fuel and the raw gas that remains in the pistons washes away the coating of oil on the pistons.

Mr. Brouwer has also been the recipient of the Award for Film Excellence from the International Platform Association.

Of all the travelogues in existence today, "America - Of Thee I Sing" is without a doubt the most spectacular, and the most moving. In this film, you will experience the U.S. at each and every point of the compass. From the vast grandeur of the mountains to the Civil War Battlefields of the southeast; view the vastness of the American desert in the southwest and visit nostalgic early America in the east. You'll thrill at the spectacular sights along the "El Camino Rio" and you'll return to your childhood at the sight of a boy fishing in a stream at "Supper time". Here is an opportunity for you to reminisce upon your own travels. We guarantee that you'll come away with a renewed appreciation of the culture, scenic beauty and natural heritage of our own country. "America - Of Thee I Sing" is a travelogue that should be viewed by every citizen of this country.

## Many Visit Historical Sites

More than one-third million travelers and tourists visited the state's seven public museums and historical sites operated jointly by the Michigan Department of State and Department of Natural Resources.

According to Secretary of State Richard H. Austin, the state's chief historical officer, attendance this summer about equaled that of 1981.

Austin said that in addition to preserving Michigan history, the museums attract tourists. Michigan's economy is heavily dependent on tourism, one of the state's top three industries.

Upper Peninsula museums are: Fort Wilkins in Fort Wilkins State Park at Copper Harbor, Fayette Township State Park, Father Marquette National Memorial and Museum in the Straits State Park at St. Ignace.

Museums in the Lower Peninsula are: Hartwick Pines Lumbering Museum in Hartwick Pines State Park near Grayling, Walker Tavern in Cambridge State Historical Park at Cambridge Junction in Lenawee County, Sanilac Petroglyphs (Indian rock carvings) in Sanilac County, Historic Mann Family Home in Concord.

From Our  
Corner ...

Dang it all, I wished I hadn't promised Spike that we wouldn't write about the weather...this is a beautiful Sunday and the only thing that really mars it is the fact our two favorite football teams bit the dust over the weekend, it is possible before I get this turkey done, one more will take it on the nose...Friday night the Grayling Vikings were shut out 27-0 by the Cheboygan Chiefs who have had an outstanding team for a number of years now...then on Saturday night on national TV our Michigan Wolverines got sidetracked by the Irish of Notre Dame, 23-17...now at 4:00 o'clock the Detroit Lions take on the Los Angeles Rams, which should also be an exciting game now that Billy Sims has decided to play football for the Lions instead of sitting out a season...we're hoping our luck will change with the Lions game...

Tickets are on sale for this year's Grayling Youth Booster Club's Annual Installation Dinner to be held at Scheys Country House on Saturday, October 9th. Cocktails will be served at 6:00 p.m. and dinner served at 7:00 p.m. Dancing and party time is 9:00 to 1:00 a.m. Tickets are \$12.50 per person and are available at the Avalanche office, Mac's Drug Store or from any board member...plan now to attend this Booster Club annual event...

Our Traverse City family arrived Friday and left Sunday in order to get the girls back home early so they can get ready for school Monday now that the teachers are back at work...Toni, T.J., Stef and Black Bart came over to help Grandma celebrate her birthday Saturday...John is still working in New York and Toni is going to be able to go out for a week, instead of John only being able to fly home for a weekend...Grandma Dyke has the chore of looking out for the girls while she is gone...

If you are a parent of a child eligible for Cub Scouting you have until between 7 and 7:30 Thursday evening, September 23rd to get him signed up...Thursday is "School Night for Cubbing" and a most worthwhile project your child can get involved in as he grows up...another article appears in this week's issue...just mark it down it is this Thursday...

Once again we will reiterate the policy of Letters to the Editor to be published in the Avalanche...first and foremost, the letter must be signed (not typed or printed) with the address and phone number of the writer...letters that may be libelous or slanderous will not be printed or those that are of a nature of a pet peeve against any business will not be considered...constructive criticism is acceptable...such as the following letter we received about the Avalanche...

Dear Editor,  
A few weeks ago I received a copy of your paper, and needless to say was very disappointed to see nothing in it but Sports and National Guard news. Which is fine but you surely "missed the canoe" when you didn't have pictures and a nice article about the recent "Quilt Show" held at the Ice House. The ladies there with the help of many volunteers did a fantastic job of doing something very nice and different for the people of your community and your tourists.

Needlework is fast becoming a big thing nationally, for both men and women, and it's about time you news people recognized it. Sincerely,  
(Mrs.) Betty Reed  
Marlington, Mich.

Editor's Note: The Avalanche carried an article about the Quilt Show before it happened...we are sorry but, the Avalanche does not have the staff to cover everything that happens in our area...we try to cover the news that we feel affects the most people...

While we are on the subject...the Avalanche will have a policy during the upcoming election that a candidate may write one letter...and we will print but one other letter that carries any political mention of that candidate and limited to 350 words...no letter will be carried the week prior to the election...

This takes care of our struggle this week...Good night T.J., Stefany and Amber...and to all our readers have a nice weekend...

Mrs. Edwin Charlson and daughter Donna

Jane, returned Sunday from a couple of weeks' visit with her sister, Mrs. Roy Smith, at Port Huron.

To celebrate the fifth wedding anniversary of Mr. and Mrs. Lawrence Trudeau that fell on September 14, several of their friends dropped in to remind them of the occasion. As the fifth anniversary is wooden, many articles of woodenware were left as tokens.

Sunday morning when Mrs. H.W. Wolff came down for breakfast, she was surprised to find the long dining room table filled with friends who had gathered to have breakfast with her and bid her goodbye as she was leaving for her home in New York after spending the summer at Lake Margrethe. The usual tasty meal served by the Wolff household was enjoyed. Mrs. Olaf Michelson read an original humorous poem written for the occasion which gave zest to the party. Mrs. Bernard Sargent and Mrs. Herbert Sargent of West Branch were out of town guests.

## 69 Years Ago

September 25, 1913  
All barber shops in Grayling will be closed on Wednesday of next week on account of Grayling day at the Gaylord Fair.

Mr. and Mrs. Abraham and Joseph arrived on Saturday from their wedding trip and are staying at the home of Mr. and Mrs. Louis J. Kraus for a week. They expect to be settled in their new home next week.

The Salling Hanson Co. planning mill on the South Side has been shut down for several weeks as they are having a new boiler installed.

J. Slingerland is putting a cement cellar under his Maple Forest home.

Miss Helen Babbitt entered the ninth grade Monday.

Lorne Douglas, Harold Bardley, Marion Salling and Margaret Bauman were high school visitors last week.

T.E. Douglas of Lovells enjoyed a few days duck hunting at St. Helens, the latter part of the week.

T.E. Lewis of Frederic will soon have his store lighted with electricity.

Jim Knibbs has the gravel screen nearly finished and expected to begin work on the Maple Forest road the first of the week. The screen is to be run by a new six horse power gasoline engine.

About thirty young people enjoyed a marshmallow and steak roast at Leece's grove on Friday evening; Mrs. W.E. Green and Mrs. Fred Mutton chaperoning.

Eli Forbush has a crew of twenty men at work in the Ward orchard, picking and packing apples.

## The Bible Speaks

From Calvary Baptist Church

Divine Election is  
By God's Grace  
Romans 9:27-33

Today, Israel is rejecting her messiah, yet God is saving a small remnant by His Grace. "Esaias also crieth concerning Israel, Though the number of the children of Israel be as the sand of the sea, a remnant shall be saved." Verse 27. This will also be true when God purges Israel during the 7 years of great tribulation to come upon the earth. "For he will finish the work, and cut it short in righteousness: because a short work will the Lord make upon the earth." Verse 28.

God's Grace spared the rebellious nation of Israel from the kind of death and destruction brought upon Sodom and Gomorrah. "And as Esaias said before, Except the Lord of Sabaoth had left us a seed, we had been as Sodom, and been made like unto Gomorrah." Verse 29.

God's Grace caused the unreligious gentiles to exercise faith in God, while the religious Jews who had become proud and turned to religious works and self righteousness, were rejected. "What shall we say then? That the Gentiles, which followed not after righteousness, have attained to righteousness, even the righteousness which is of faith. But Israel, which followed after the law of righteousness, hath not attained to the law of righteousness." Verses 30, 31.

Why did God show His Grace upon the small remnant of His nation Israel, while He has reached down to gentiles like you and me

who had no form of religion? "Wherefore? Because they sought it not by faith, but as it were by the works of the law. For they stumbled at the stumblingstone." Verse 32. The Jews stopped exercising faith or belief in God's Grace and tried to be self-righteous by works of, or obedience to, God's Holy law. The purpose of God's Holy law is to show man his sinfulness and need of God's grace. The Jews deceived themselves into believing they were righteous by obeying God's law. That is why their religious leaders tried to correct the law giver, Jesus Christ, and finally rejected Him, nailing Him to a cross.

Instead of accepting Jesus Christ as their messiah and the rock of their salvation, they rejected Him as a rock of offence. "As it is written, Behold, I lay in Sion a stumblingstone and rock of offence: and whosoever believeth on him shall not be ashamed." Verse 33. Jesus Christ was rejected as prophesied in Psalm 118:22, as the rock of salvation for Israel. He became the foundation stone of the church. We are built into that spiritual house, "...upon the foundation of the apostles and prophets, Jesus Christ himself being the chief corner stone; In whom all the building fitly framed together groweth unto an holy temple in the Lord: In whom ye also are builded together for an habitation of God through the Spirit." Ephesians 2:20-22. Salvation is not by works, but by the divine election of God's grace alone. (adv.)

## School Night For Cubbing September 23

"School Night for Cubbing" will be held at local elementary schools across Michigan on Thursday, September 23 and kicks off a new year of Cub Scouting in the 19 county area served by the Lake Huron Area Council. Activities will begin between 7:00 and 7:30 p.m. at all participating schools.

School Night provides 8 through 10 year old boys and their parents an opportunity to find out what Cubbing is all about in their community - a chance for the parents to talk with the adult leaders and for the boys to meet friends and see the fun and rewards of being a Cub Scout. This year, 7 year old boys and an adult partner are encouraged to come and learn about the all-new Tiger Cubs BSA.

1982-83 plans to be an exciting new year for Scouting with several new concepts being offered. A package of four concepts, including innovative activities for younger boys and the modern family, is being unveiled this month by the Boy Scouts of America.

## Deadline For 1st ACT Oct. 1

As the new school year begins, more than one million high school juniors and seniors across the nation are preparing to participate

5 Crawford Co. Avalanche in the ACT Assessment Program.

The ACT Assessment, which consists of four academic tests that measure educational development and a detailed questionnaire that collects information relevant to educational and career planning, is recommended or required by more than 2,700 postsecondary institutions and scholarship programs.

School guidance counselors recommend that students participate in the ACT Assessment Program late in the junior year or early in the senior year, so their results will be available in time for use in planning for postsecondary education and careers.

Students can obtain registration packets that contain all the information necessary to register and prepare for the Assessment from their high school guidance offices. The basic registration fee for the Assessment is \$9.50. For 1982-83, ACT has established this test date schedule:

### Test Dates

October 30, 1982, December 11, 1982, February 12, 1983, April 16, 1983, June 11, 1983.

### Registration Deadlines

October 1, November 12, January 14, March 18, May 13.

It takes about three hours to complete the four ACT examinations in English, math, social studies, and natural sciences. A sample copy of a full-length test is available in every high school.

Thurs., Sept. 23, 1982

## RSVP Reports

by Sherry Haag, Director

In a recent interview with Dr. Robert Butler, Director, National Institute On Aging, he was asked "What is ageism?" His answer was "It's a process of systematic stereo typing of and discrimination against people because they are old." Just as racism and sexism accomplish this with skin color and gender Ageism allows the younger generation to see older people as different from themselves; so they subtly cease to identify with elders as human beings. Problems arising from this attitude lead to other areas of disturbances. Senility, depression, anxiety are problems of the mind that can be channeled into other areas.

A positive mental attitude is an important factor in determining the quality of our lives. Keeping busy and feeling productive is as important when you're over 60 as when you are under 60.

In Michigan members of the 15 Senior Volunteer Programs are keeping busy. There are 6,394 members of the RSVP serving 23 counties. During April, May and June this year 826 stations have received 406,147 service hours. The largest RSVP is in Detroit serving Wayne County with 1,341 volunteers serving 180 stations with 66,139 hours for that 3 month period. The smallest and also the newest in Gaysford has 60 volunteers serving 27 stations with 2,772 service hours for that 3 month period. Keeping busy - feeling useful - feeling productive - all these lead to a positive mental attitude which leads to feeling better about yourself as well as keeping you physically healthier.

At present there are many job assignments available. The high school has asked our help in finding volunteers who would be interested in serving at the high school library. Duties would be varied but would include inventorying and cataloging books and checking books in or out. Training would be provided. If you would be interested in more information give the office a call.

The Day Care Center is in need of volunteers to work in their Infant Care Facility. Duties to be cuddling - rocking - etc. infants 6 months to 2 1/2 years of age.

The 4-H office is in need of volunteers to help from 9 - 12 Monday thru Friday. Duties to consist of answering telephones and taking messages. We have patterns available for wooden childrens pull toys. These toys will be used for the Christmas baskets for needy families.

If you are interested in any of the above assignments please give us a call at 348-4341 or 348-8322 or stop by the office at 308 Lawndale. The office is open Monday thru Friday from 8-5.

## State Agencies Call For Increased Drunk Driving Penalties

Warren M. Hoyt, Executive Director, MPA

The Office of Substance Abuse Services and the Office of Highway Safety Planning have urged stepped up punishment for drunk driving offenses.

In a report to Governor William G. Milliken, the agencies called for a system of legal deterrents which provide for more arrests, quicker trials, less plea bargaining and increased prevention.

Meanwhile, the Legislature is considering a series of bills to increase penalties on persons convicted of driving while under the influence of alcohol and/or drugs. The bills have already been passed by the Senate and await action in the House.

Among the 37 recommendations made to Milliken were legislation making illegal the .10 blood alcohol level, rather than simply presuming that level constitutes drunkenness and legislation imposing immediate driver license sanctions for drunk driving convictions.

Other recommendations include providing an automatic civil infraction for drivers under age 21 whose blood-alcohol level is under .08 and a law permitting a prosecutor to decide whether a person driving under influence is to be charged with a civil or criminal offense, except a criminal charge must be entered if the blood-alcohol level is over .20 percent, if the driver had a prior conviction in the past seven years or if recklessness was involved.

Milliken said he would seek comments from the State Police and the Office of Criminal Justice before submitting his recommendations to the Legislature.

The two state agencies said their recommendations reflect a philosophy that deterrents and corrective measures should be targeted to various types of offenders—first-timers vs. chronic offenders, social drivers vs. problem drinkers

or alcoholics, and younger vs. older drivers.

The recommendations also include provisions for use of preliminary breath testing equipment and civil penalties for refusal of drivers to submit to the test and permits tests to be administered on deceased drivers for admissibility in court proceedings.

The agencies also recommended individual police departments determine the merits of using checklanes during likely times of high drinking, that video tapes be permitted in court proceedings as evidence of intoxication, that restricted licenses be explained on the license itself and in the Law Enforcement Network, and that the governor establish a drunk driving task force for further action.

They urged further study on adopting a civil infraction for low blood-alcohol level drivers, developing a means of detecting other drugs which may impair driving ability and developing a streamlined arrest process.

## Prison Overcrowding Emergency Rescinded

Upon the recommendation of the Corrections Commission, the governor has rescinded a declared prison overcrowding emergency that reduces sentences by 90 days to bring the population down to 95 percent of capacity.

The commission reported the population was under the 95 percent mark, thus ending the requirement for the early release.

The state of emergency was first declared May 19 after the 13,251 inmate capacity has been exceeded for 30 days. At that time, 90 days were subtracted from prisoner sentences and when the population did not fall to 95 percent of capacity by August 16, another 90 days were subtracted.

## Regional 4-H Performing Arts Troupe To Organize

A regional 4-H Performing Arts Troupe known as 4-H Dimensions will be organizing. This group will be made up of youth 11 through 18 who have an interest in the Arts. Workshops will be held on Saturdays starting in October and running through May for a total of twelve. Each workshop will focus on a specific skill needed to put together a performance for the troupe to perform next summer. The performance will include various forms of the Arts such as music, dance, drama, pantomime, etc.

Members do not need any experience in the Arts to join this group, however, they will be required to attend a minimum of eight of the twelve workshops and a weekend rehearsal to be eligible to perform with the

group next summer.

Counties involved in forming this troupe include Otsego, Oscoda, Iosco, Crawford, Clare, Roscommon and Ogemaw. Workshops will be held on a rotating basis in Grayling and Roscommon.

If you are interested in joining this group, please call Ann Stephenson, 4-H Program Assistant for Crawford County, at the Cooperative Extension Service office in Grayling at 348-2841 Ext. 264, 265.

A county coordinator for Crawford County is also needed. If you have an interest in the Arts and would like to help with our local youth, you may also call the Extension office for more information.

## Historical Society Meeting

On Monday, Sept. 13 the last meeting of the season took place at the Crawford County Historical Museum. A discussion was held on having elections at the 1983 Spring meeting.

Mrs. Greta Lewis, the future curator and director was introduced to the members of the advisory board.

The annual get-together dinner date was set for October 7, 1982, at 6 p.m. at the Holiday Inn. This annual affair is held as a thank you to all the wonderful volunteers through the R.S.V.P. office. These volunteers helped to keep Your Crawford County Historical Museum open 7 days a week this past season. The museum was officially closed on Sunday, Sept. 12.

This season according to my count there were 1513 registered visitors. There usually are some who fail to register. We might assume that many of the out of town visitors did a little shopping in some of the stores in Grayling.

I think that a historical museum is an asset to any town's economy. Please help support your Crawford County Historical Museum in the future.

## Tips For A Safe Home

by Gail Edwards  
Ext. Home Eco.

Safety and convenience in a home are important for people of all ages, but they may be of particular importance to the elderly. Elderly people can make easy modifications in their homes to simplify their work and make their homes safer, says Anne Field, Michigan State University Extension specialist in family resource management.

Field provides the following checklist for safety:

- Tack down the edges of throw rugs or apply nonskid backing to them. Runners can be tacked on each end. Double-edged adhesive tape can also be used to secure a rug.

- Avoid placing furniture with sharp edges in the areas most frequently traveled in the living room. In the bedroom there should be a clear, well lit path from the bed to the door.

- Make sure that chairs, sofa and tables stand firmly so they do not slide when you lean on them.

- The drawers and doors of storage chests should open and shut easily, and drawers should have stops to prevent them from coming all the way out.

- Make changes in the levels of the floors obvious with brightly colored carpeting or steps painted different colors.

- Wipe up spills immediately to prevent falling on the slippery spot.

- Lighting is an important element in home safety. Adequate lighting should be provided in rooms, stairways and halls.

In the bathroom:

- The bathtub should be low, with a flat bottom, and a built-in seat at the end. A nonskid rubber mat is also useful.

- Install well-anchored horizontal grab bars, 40 inches above the floor, on the wall over the tub to help you get in and out.

In the kitchen:

- Counters should be well lit.

- When possible, sit down to do jobs. The work surface should be about elbow level, to avoid excessive reaching or stooping while working. Use a lap board, a TV tray or a card table as a work surface. Also, a stool with adjustable height can be used to work at kitchen counters. Opening a lower level cupboard door will provide leg room so that you can sit closer to the counter.

- The corners of the counter top should be rounded.

- Range or oven switches should be easy to read and easy to turn on and off.

## Fr. Martin To Speak On "Feelings"

"Feelings" will be the subject of a talk by Father Joseph C. Martin at St. Mary's Cathedral, 606 N. Ohio St. in Gaylord, Michigan on Friday, September 24th at 8:00 p.m.

It has been said that resentment and self pity are luxuries the alcoholic can ill afford. Father Martin, acknowledging that "emotions are what we have the most of and know the least about," will share some thoughts about human feelings.

Fr. Martin, himself a recovering alcoholic, taught at colleges in California and Maryland until the fall of 1970 when he went to work for the Maryland Division of Alcoholism Control. In 1973 he made the decision to free lance. He has since worked as a consultant and lecturer on alcoholism, speaking throughout the United States and abroad.

In February of 1972 one of Father Martin's lectures on alcoholism was filmed by the United States Navy. Dubbed "Chalk Talk on Alcohol" it has become a primary educational vehicle on alcoholism throughout the Armed Services, industry, treatment centers and schools. In all he has made nine films and eighteen cassette tapes on various aspects of the disease. His material is used all over the world.

Father Martin is associate pastor of St. Joan of Arc church in Aberdeen, Maryland, and is co-founder of Ashley, a non-profit treatment center for alcoholics soon to open in Havre de Grace, Maryland.

According to Father Martin, Ashley will "combine the science of medicine with the art of healing" and focus on "the complete restoration of body and soul to the sick alcoholic."

Information on Father Martin's presentation in the Gaylord area is available by calling (517) 732-1793 or 732-3551. Tickets are \$5.00 and may be obtained in advance, remaining tickets maybe purchased at the door the evening of the talk. Coffee and refreshments will follow the talk.

### Oct. 4 Last Day To Register

Secretary of State Richard Austin reminded all individuals that Monday, October 4, is the last day to register to vote in the November 2 election.

Austin, whose office is responsible for conduct of elections in Michigan said that statewide, approximately 5.5 million individuals are registered out of a potential of nearly 6.5 million.

All Michigan citizens over 18 are eligible to register providing they have resided 30 days or more in the city or township where they live before election day.

Austin said that although an individual's 18th birthday falls on November 3, one day after the election - that individual is still eligible to register and vote. A little-known interpretation of Michigan election law, having roots in English common law, concedes that on November 2, Election Day, that individual would have lived exactly 18 years - enough to fulfill the legal requirement to be 18 to vote.

All individuals may register to vote at any of 180 statewide Secretary of State branch offices or at the office of the city or township clerk where they live.

City and township offices will be open between 8 a.m. and 8 p.m., on October 4.

### Photography Class Offered

If you're interested in improving your pictures in time for fall color & holiday season, Adams Photography is offering a six week course beginning October 4th thru November 8th.

An additional two weeks for darkroom techniques is available.

Areas to be covered include: Proper maintenance of cameras & equipment; types of film & their use; utilization of existing light & supplemental lighting (flash); depth of field & composition.

There will be practical assignments each week in both color & black & white. For further information call Jim Adams at 348-3020.

#### Rental/Purchase Program

As a service to the children and parents of the community and also as a fundraiser, the Sibs for Kids program is considering a rent/purchase program for infant & child car seats.

As these seats are now mandatory by state law and very expensive to purchase, we feel we could help by distributing the cost over several months.

In the case of the infant seat which the child outgrows before a year the seat could be returned for a partial refund.

If you are interested in the details, please call 348-2841 ext. 282 or stop by the office on West M-72.

## Notice of Public Hearing on Increasing Property Taxes

The Board of Commissioners of the County of Crawford will hold a public hearing on a proposed increase of .579 mills in the operating tax millage rate to be levied in 1982.

The hearing will be held on Tuesday, October 5 at 7:30 P.M., at the Crawford County Building, Grayling, Michigan.

If adopted, the proposed additional millage will increase operating revenues from ad valorem property taxes 8.074% over such revenues generated by levies permitted without holding a hearing.

The taxing unit publishing this notice, and identified below, has complete authority to establish the number of mills to be levied from within its authorized millage rate.

This notice is published by: County of Crawford, County Building, Grayling, Michigan 49738, 517-348-2841.

**CLUB FORMED**—Kirtland's newly formed International Student Club participated in the Mackinaw Bridge walk last week as the first of many such activities planned for this year. Pictured here is: (left to right) Pauline Cournyer (advisor); Mir H. Mahmud of Bangladesh; Osama Al-Omary of Jordan; Carol Chilton (advisor); Maher Al-Salah of Jordan; Jeff Johnson; Cary Vajda (advisor); Richard White; Steve Place and friend Shelly; Margaret Craig; Mike Onuogu of Nigeria; and Frank Chisholm.

Following the bridge walk eleven of the

group spent the afternoon on Mackinaw Island.

The Club will meet this week to elect officers and proceed with future plans and activities of the club. Interested citizens and organizations of the area are encouraged to contact the college if you have any ideas for interaction with foreign students (i.e., attendance at community and civic activities, events, meetings, etc.) The Club's purpose is to develop programs which will serve to educate and enrich foreign, immigrant and American students.

### Doodles From The Tall Timber

Wendell L. Hoover  
Park Interpreter

I am sure you have noticed the many yellow flowers gracing the road sides at this time of year. Most are in the Goldenrod family which according to one source lists 69 species while another lists 62. The number of species does not matter a great deal unless you are really into Goldenrods.

There are 5 different shapes to be aware of: the plumelike (which are graceful), the elm-branched, the clublike (which are quite showy), the wandlike or slender, and the flat-topped. From July until October all

these different types in greater or lesser abundance will be growing where soil and sunlight are adequate.

One source I have says that the Goldenrod is falsely blamed for causing hay fever which is caused in reality by ragweed which is also in bloom at the same time. Another source claims that 2 of the 24 Eastern species have been found to contain enough latex in the juices of their leaves to warrant their improvement as a possible source of rubber. Because the Goldenrod is so conspicuous around the United States, it has been proposed that it should be our National flower. Some feel this would be taken to mean we worship gold so the idea has not found much favor.

## Grayling Township Board

Special Meeting — September 10, 1982

Members present: Bernard Fowler, Elizabeth Wieland, Evelyn Gardiner, Marvin Hallett, Jacqueline Bonkowski.

Members absent: None

Others present: Douglas C. Dossan

Special Meeting was called to order at 4:30 p.m. by Supervisor Fowler for the purpose of discussing Ordinance 81-2, the Zoning Ordinance with Legal Counsel as advertised.

Fowler informed the Board that he had been served a show cause order by Circuit Court Judge, William Porter, on September 4, 1982, relative to Zoning Ordinance 81-2. Legal Counsel, Nelson A. Miles, met on September 8, 1982, at 3:00 p.m. with Judge Porter and made an agreement on our behalf. The session was adjourned until 10:00 a.m. on September 13, 1982. Motion by Bonkowski, supported by Wieland, to go into Executive Session to discuss this matter with Attorney Douglas C. Dossan. Roll Call: Bonkowski-aye, Gardiner-aye, Hallett-aye, Wieland-aye, Fowler-aye. Motion carried.

Special Meeting recess at 5:45 p.m.

Motion by Wieland, supported by Bonkowski, to call the Special Meeting back to order at 6:00 p.m. Roll Call: Bonkowski-aye, Gardiner-aye, Hallett-aye, Wieland-aye, Fowler-aye. Motion carried.

Motion by Wieland, supported by Bonkowski, to authorize Co-attorney, Douglas C. Dossan, to draft and execute on behalf of Grayling Township, a stipulation for dismissal of the case of Ted Johnston versus Grayling Township Board (File No. 82-005-562-CZ) rendering Zoning Ordinance 81-2 invalid and the previous Zoning Ordinance of 1966, as amended, back in effect until such time as procedure for amendment is again initiated. All ayes.

Motion by Hallett, supported by Gardiner, meeting be adjourned. (6:05 p.m.) All ayes.

## Grayling Township Board

Regular Meeting — September 14, 1982

Members present: Bernard Fowler, Elizabeth Wieland, Evelyn Gardiner, Marvin Hallett, Jacqueline Bonkowski.

Members absent: None

Others present: Bob Chappel, Howard K. Guyett, Sr., Douglas C. Dossan, Connie Isenhauer, Kim Curtis, Lisa Mertes, Don Carl, Sue Brenner, Cal Brenner, Barb Sojka, Marty VanDeVan, Allen C. Carr, Robert J. Ruddy, Joe White.

Meeting was called to order at 7:30 p.m. by Supervisor Fowler. Motion by Bonkowski, supported by Gardiner, the minutes of the Regular Meeting of August 17, 1982 and the minutes of the Special Meetings of 9-7-82 and 9-10-82 be approved as written. All ayes.

Board members were introduced to the Government Students. Bonkowski informed them of the County Directory which was available to them from the Courthouse. Questions would be answered upon their request.

Treasurers report was given. Motion by Wieland, supported by Bonkowski, it be accepted. All ayes.

1. Notice of the formation of a Crawford County Fair Association and election of its Board of Directors was received from Steering Committee Chairman, Jan Olson (9-27-82 in Grayling).

2. Notices of hearings scheduled by the Public Service Commission were received on the following:

A. General Telephone Company - consideration for authority to revise its schedule of rates and charges (10-6-82 in Gaylord).

B. Consumers Power Company - consideration for accounting and rate-making approval of deferred tax accounting for its gas and electric operations (9-20-82 in Lansing).

C. Michigan Consolidated Gas Company - consideration for authority to revise the surcharge under its program for the conservation of gas and under the Michigan Residential Conservation Service Plan (9-27-82 in Lansing).

Brief discussion was held with legal counsel on what effect local units might have by filing objections to these matters.

3. Notice was also received from Consumers Power Company relative to a hearing scheduled by the Public Service Commission on consideration to permit charges or credits for changes in expense items in monthly billings (9-7-82 in Lansing).

4. Notice of the Michigan Municipal Treasurers Institute scheduled to begin 9-20-82 and sponsored by the Michigan Municipal Treasurers Association and Michigan State University in Lansing was received.

5. Correspondence from the Dept. of Natural Resources relative to their inspection of the Compactor and renewal of the license was received and reviewed.

6. Correspondence from the Crawford County Road Commission Engineer-Manager, John Keir, was received regarding request for additional signing at local road intersections and replacing missing signs at primary road and state highway intersections. Funds in the Road Improvement project could be used to enter into such program for additional signs in the township. Fowler will obtain cost estimates on such a program. The addition of Zoning signs will also be pursued.

7. A Special Alert Bulletin sent to County Officials by Michigan Association of Counties informing them of another Executive Order to trim revenue sharing in order to balance the state budget was reviewed. Discussion was held on revenue sharing and the pending court case relative to previous orders of this nature.

8. Notice of application to list privately owned forest land under the provisions of the Commercial Forest Act was received from the Dept. of Natural Resources. The notice indicates 120 acres of land located in Sec. 10, T26N, R2W, is being considered.

9. Crawford County Sheriff, Joe White, and Undersheriff, Robert Ruddy, approached the Board to discuss any comments, concerns, or suggestions.

A. If the office of Constable was eliminated and liquor funds turned over to the County, would you be able to make liquor inspections for a like fee? Sheriff White stated this would not be a priority and he felt the result would be fewer inspections at a higher rate due to overtime or extra patrolmen.

B. Motor boats are not prohibited on the AuSable River.

C. The 35 MPH speed limit on North Down River Road east of I-75 doesn't appear consistent with other areas. Sheriff White will research the reason for it.

D. The Dept. is not under contract with any other unit of government for added service or patrolmen.

E. A survey-questionnaire was distributed to every individual for comment and opinion on several questions.

F. Adequate number of patrolmen was discussed. There is never enough. Auxiliary help is used when available.

G. All complaints resulting from the increase in the number of Guards here this summer were resolved as a result of the excellent co-operation received through Camp Grayling.

H. Almost all ambulance calls including Camp Grayling are handled through the Sheriff Dept.

10. Cal Brenner, on behalf of himself, and the Lake Margrethe Property Owners Association, thanked the Board for ordering the installation of the street light at the intersection of M-93 and Grayling Avenue.

11. Attorney Douglas C. Dossan gave a resume of hearings resulting from a court case filed by Ted Johnston on Zoning Ordinance 81-2. As a result, the Township Board, at a special meeting on 9-10-82, took action to rescind said ordinance provided the 1966 Zoning Ordinance as amended remain in effect until further amended or repealed if the case was dismissed. Said case was dismissed on 9-13-82. Much discussion followed relative to camper trailers, the Deferred Development District, Supreme Court Rulings that were incorporated in the amendments of Ordinance 81-2, non-conforming uses, review of the 1966 Ordinance by legal counsel, and re-adoption procedure - either in part or its entirety. Gardiner moved the present Zoning Ordinance be referred to the Planning Commission for consideration of amendment. Motion supported by Hallett. Further discussion on compliance with the enabling act and court rulings was held. Legal counsel will be pursued. Roll Call: Bonkowski-aye, Gardiner-aye, Hallett-aye, Wieland-aye, Fowler-aye. Motion carried.

12. Fowler informed the Board that the ballot wording for the building project had been certified as follows: Shall a township office building of approximately 2880 sq. ft. (40' x 72') be constructed? Legal counsel indicated a fact sheet could be published to inform residents of proposed plans and costs.

13. Fowler informed the Board of correspondence he had received from G.H. Joyce on some concerns in his area. Fowler and Building Inspector, Bob Chappel, are working with the Health Dept. and Road Commission to resolve the matter.

14. Fowler indicated work was falling behind in the assessing office due to lack of staff. Sharon Ruhl has been hired and will start the first part of October. Miss Ruhl is a Level III Assessor and is presently working in a surveyor's office. She was also a graduate of Grayling High School.

15. A Report of Building and Ordinance activities indicated many inspections are still being made, various violations are being reported and processed. The fall clean-up day of old appliances was a success. Many favorable comments are being received on the price reduction of the compactor ticket.

16. The necessity of a transfer of funds was discussed. Motion by Bonkowski, supported by Hallett, to transfer \$27,500.00 from the Township Improvement Revolving Fund

and \$3,000.00 from the Liquor Fund to the General Fund until the state revenue sharing is received. All ayes.

17. The Supervisor's Report included the following:

A. Notice of an organizational meeting of the Crawford County Transportation Authority which has since changed from 9-15-82 to 9-20-82.

B. Notification of unanimous support of the Swamp Tax Resolution by the Grayling City Council.

C. Correspondence from Michigan Association of Counties indicating the Resolution makes sense but is an impossibility. They also indicated this approach has been tried numerous times, with no success but they will continue to review it for future consideration.

D. The Resolution has been submitted to the Michigan Townships Association's resolution committee and other units of government as indicated in it.

E. A copy of correspondence to County Commissioner Andie Neilson from the Prosecutor's Office relative to the methods provided by statute to place the question of Tax Limitation on the ballot was reviewed. It appears this question will not be placed on the ballot at the general election.

F. Road projects are proceeding. Additional right-of-way has been obtained on Gierke Road in the Brink's Park area. Most of the grade and gravel work has been completed and blacktopping will be in the near future on Wilcox Bridge Road, in Pinecrest Subdivision, and in the Brink's Park area.

18. Allen Carr inquired about the 120 acres being considered under the Commercial Forest Act. The property is owned by David Brundage and is located in Sec. 10, T26N, R2W, off Horse-shoe Trail (M-72 East between Stephan and Wakeley Bridge Roads).

Motion by Bonkowski, supported by Gardiner, the bills as presented on vouchers 5788 through 5805 in the amount of \$3378.09 be approved for payment. Roll Call: Bonkowski-aye, Gardiner-aye, Hallett-aye, Wieland-aye, Fowler-aye. Motion carried.

Motion by Wieland, supported by Bonkowski, meeting be adjourned (9:23 p.m.) All ayes.

## TO THE RESIDENTS OF GRAYLING TOWNSHIP

PLEASE BE NOTIFIED that there will be a public hearing at the City Hall, 103 James Street, Grayling, Michigan, at 8:00 p.m., Sept. 28, 1982, of the Township Planning Commission on amendments to the Zoning Ordinance in Grayling Township, Crawford County, Michigan.

The following changes will be considered:

CASE 82-2R The Planning Commission, applicant, has requested re-zoning of property located on North Down River Road (County Road) west of the City limits and south of the Airport and described as: all that part of the W½ of the NW¼ of Sec. 7, T26N, R3W, lying N½ of the railroad ROW and the NE¼ of the NE¼ of the NE¼ of Sec. 12, T26N, R4W, lying NE¼ of the railroad ROW, from the present zoning classification of I (Industrial) to R-2 (General Residential) for the purpose of further residential development or such other use as provided in the zoning district.

CASE 82-3R The Zoning Administrator, applicant, has requested a provision be added to Sec. 26 - Non-conforming Lots, to provide for the reduction of side and rear minimum yard requirements, by the Zoning Administrator, by the percentage difference between the lot size requirements and the lot size of said non-conforming lot, but in no case shall a side yard requirement be less than 5 feet or a rear yard requirement be less than 25 feet.

Tentative text and zoning maps may be examined at the Township Office during regular business hours.

**News of Good**  
**Things Growing**

by Margaret G. McCall

Before all our summer garden goodness disappears, I suggest you process and freeze some of it for the winter ahead. Think about all the fresh produce still available in gardens and markets that can be stored—it's like simmering a bit of summer for the snow season.

For starters, you could make a rich spaghetti sauce, using about a dozen of the good things growing in Michigan. If you're going to freeze a batch or two, you can add cooked ground beef if you like.

Use the prepared sauce with spaghetti, in lasagna, in chili, or to make cream of tomato soup.

Start with a large heavy Dutch oven. Sauté in ½ cup olive or vegetable oil one large chopped onion, two chopped green peppers, and 3 cloves minced garlic. Cook over low heat about five minutes, then add one pound sliced fresh mushrooms, and eight cups peeled, seeded and chopped tomatoes. Add a half-cup fresh chopped parsley, 1 tablespoon fresh sweet basil, choppe, 1 tablespoon of salt, one of sugar, and a pinch of black pepper. Add 1 cup chopped celery and a cup of shredded carrot. If you have zucchini, shred a cup and add that, too.

Simmer all this slowly, uncovered, until vegetables are very tender and sauce is quite thick. Check for seasoning, and keep it light if you are freezing the mixture. (Flavors intensify in the freezer.)

For spaghetti sauce, brown a pound of ground beef, drain well and add to the vegetable mixture. You may also want to add a few slices of pepperoni, or combine a quarter-pound of hot Italian sausage (casings removed) with your beef when you brown it. A bay leaf adds to the flavor, too.

If you want to use this for tomato soup, puree the mixture in a blender or food processor. Then heat, thicken slightly with a mixture of equal parts of flour and butter (about 2 tablespoons each). If you are using three cups of your vegetable sauce, pureed, then heat in another pan half as much cream, almost to boiling. Slowly stir the hot cream into the hot vegetable mixture and serve at once. Top with a spoonful of sour cream and a sprinkle of fresh parsley.

HELPFUL IDEAS FOR SUCCESSFUL RETIREMENT

**September**

The days do grow short when we reach September. But, look at you. These are golden days.

We can find time in September for reflection. We care not to turn back the pages of time, only to seek the pleasures of recollection. We prefer an unmeasured review of things that were, of things that might have been, for in its course we shall come to a better awareness of today's self. We have come this way, to this day, through experiences both good and bad and, in retrospect, the good may have been much better and the bad less hurtful than once considered.

When September ends, as it must, we should be done with retrospect. The time then comes to consider the golden

glory of the world that surrounds us. This is a wonderful time of year, of life. We are surrounded by opportunities to reach out and grasp a share of what today has to offer.

What we seek may be found in the company of friends, in the pursuit of work, or in quiet meditation as the fading sun drops down against a hillside painted orange, brown and russet.

We are not concerned that September, too, shall wane. There are many long, long days yet to come. They may shorten for a time, those days, but we know well the course of things to come.

The days of fall and winter are numbered. Spring will surely come again, preceding a summer that surely will lead to yet another September.

## IN MEMORIAM

In loving memory of a dear husband and father, Sheldon G. Holcomb, who died one year ago, September 23rd.

Your memory is forever dear

Your stirring laugh we will always hear

In our hearts you will ever be

Until we're together again

Sadly miss by his wife and family.

## T.U. Notes

Our apologies for the error in our article in the September 8th Avalanche. We would like to point out that the Stranahan family donated the 400 acres of AuSable River property near Stephan Bridge and we are indebted to them for their generosity.

The George Mason Chapter of Trout Unlimited is planning to donate books dealing with fishing, fly-

tying, rod building, casting, etc., to the Crawford County Public Library. If you have books that you would like to donate to this cause, please contact Dr. Paul Mesack or drop your books off at the Grayling Hospital for Animals, during regular office hours.

We would like to take this opportunity to encourage anyone who would like to become a member of our organization to contact any

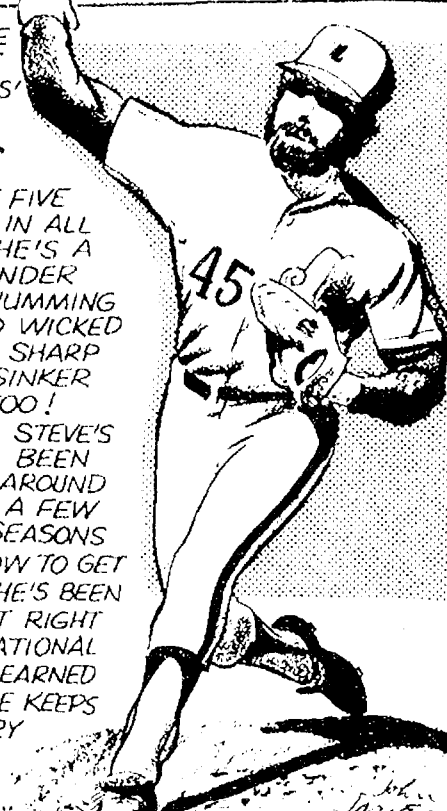

current member for an application, or to call Marion Wright at 348-7543. Individuals who support quality sport fishing in Northern Michigan and throughout the United States should demonstrate that support by joining with us. Please remember our book drive and have continued good fishing. Chuck Spencer, George Mason Chapter, Trout Unlimited.

## TO THE CUSTOMERS OF MICHIGAN CONSOLIDATED GAS COMPANY

Case No. U-7298

## NOTICE OF GAS RATE HEARING AND NOTICE OF HEARING ON MOTION FOR PARTIAL AND IMMEDIATE RATE RELIEF

On August 20, 1982, Michigan Consolidated Gas Company (MichCon) filed an application with supporting testimony and exhibits in the above-captioned matter requesting authority to increase its annual revenues from the sale of gas to customers in Michigan by approximately \$146.0 million.

At the same time, MichCon filed a Motion for Partial and Immediate Relief seeking authority on an interim basis, pending final Commission action, to increase its rates by approximately \$68.9 million annually through the imposition, as soon as possible, of a uniform commodity surcharge of 2.073¢ per Ccf, or 2.036¢ per therm. MichCon claims that if it is not granted the partial and immediate relief requested, it will suffer unreasonable and harmful loss of revenues and irreparable harm because of the inadequacy of its earnings and because rates cannot be made effective retroactively.

The tables below show summaries of the interim and final rate increases proposed, in terms of average revenue per Ccf by rate schedule, and the allocation of the revenue deficiency to each of MichCon's rate schedules. MichCon states, however, that Rate Schedule No. 9 has not been included in the first table because it has been assumed that all customers otherwise eligible for that rate will elect Rate Schedule No. 5.

MichCon is a Michigan corporation with principal offices at 500 Griswold Street, Detroit, Michigan 48226. The distribution and sale of natural gas at retail to approximately one million customers in its Detroit, Northern and Western Districts is subject to the jurisdiction of this Commission.

MichCon states that its currently effective utility rates were authorized by the Commission in its Opinion and Order issued on July 30, 1982 in Case No. U-6839 and that the rates now in effect for the sale of natural gas by MichCon are not adequate to permit MichCon to earn a fair return on its property dedicated to public use and consequently are unjust, unreasonable and confiscatory.

MichCon states that the rates approved by the Commission in Case No. U-6839 were based on its projected operating results for the year ending May 31, 1983; that MichCon has experienced a dramatic decline in sales, continues to dedicate additional plant to serve its Michigan retail customers, and continues to experience, substantial increases in its cost of providing natural gas service. These increased costs include: costs associated with company use and lost and unaccounted for gas, depreciation and depletion, additions to and replacements of utility plant needed to provide safe and reliable service, uncollectibles, taxes, working capital and higher capital costs. Specifically with respect to depreciation and depletion, MichCon has requested approval of revised depreciation rates in Case No. U-7206, filed May 5, 1982. MichCon's rate case presentation reflects approval of its depreciation request. The proposed depreciation changes contribute approximately \$22 million to MichCon's revenue deficiency.

MichCon states that its currently effective gas rates do not reflect the costs to be incurred by MichCon to provide service during the time period beginning in October, 1983, and are thus inadequate to permit it to earn a fair return on its intrastate utility property dedicated to public use.

MichCon states that its request for rate relief is based on a historical test year ended February 28, 1982, adjusted to reflect conditions during the projected test year ended December 31, 1984, corresponding with the period when the rates sought in its Application are anticipated to be in effect. Applied to projected test year sales, MichCon states that its base rates now in effect, produce annual revenues which fall short of MichCon's projected test year cost of service by approximately \$146.0 million annually and that the current rates will not recover increased costs and provide either the rate of return of 10.40% on MichCon's investment, including a return of 14.82% on common equity, found reasonable by the Commission in Case No. U-6839, or the 11.05% overall rate of return on its investment, including a 17.00% on common equity, requested by MichCon in its Application.

MichCon states that its presentation is premised on the continuation of the Operation and Maintenance Control By Indexing System and the continuation of the Purchased Gas Adjustment Clause or some other mechanism to cover cost of gas increases on a timely basis and that if either of those premises were incorrect, MichCon's revenue deficiency would be significantly higher.

MichCon represents that the proposed rates would generally retain the rate structure approved by the Commission in Case No. U-6839. Specifically, the proposed rate schedules, including base cost of gas to the Company at July, 1982 costs are:

**Proposed Rate Schedule No. 1, Non-Residential General Service Rate:** Available to any non-residential customer for any use. Provides for a customer service charge of \$20.00 per customer per month and a commodity charge of \$5.1273 per ccf (100 cubic feet) of gas.

**Proposed Rate Schedule No. 2, Residential Rate:** Available to any residential customer as defined therein for any residential service consisting of no more than 4 dwelling units. Provides for a customer service charge of \$10.00 per month and commodity charges of \$.47150 per ccf.

**Proposed Rate Schedule No. 2A, Residential Multiple Family Dwelling Service Rate:** Available to any residential customer as defined therein for any centrally metered multiple dwelling service to more than 4 dwelling units. Provides for a customer service charge of \$10.00, \$20.00, \$40.00 or \$80.00 per customer per month, depending on the size of the meter used to serve a particular customer, and a commodity charge of \$.49260 per ccf of gas.

**Proposed Rate Schedule No. 3, Optional Residential Rate:** Available to any residential customer as defined therein. Customer must be 62 years of age and head of household. Provides for a customer service charge of \$10.00 per customer per month and commodity charges of \$.45678 per ccf of gas.

**Proposed Rate Schedule No. 5, Optional Large Volume Rate II:** Available to any customer using over 600,000 MMBtu's annually for any use. Provides for two options:

Option A: \$15,000 per customer monthly service charge, \$.08754/therm of average annual contract demand, and \$.38384/therm of gas used.

Option B: \$100,000 per customer monthly service charge, \$.08754/therm of average annual contract demand, and \$.36419 per therm of gas used.

**Proposed Rate Schedule No. 6, Large Volume Rate:** Available to any customer, in maximum volumes specified by contract, for any use except spaceheating. Provides for a customer service charge of \$750.00 per customer per month and a commodity charge of \$.49229 per therm.

**Proposed Rate Schedule No. 7, Interruptible Large Volume Rate:** Available to any customer, for any use. Requires the customer to have standby facilities and standby fuel. States that use of gas is subject to the requirements of present and future firm customers and such other uses or sales of gas as the Company may in its discretion determine to make, and is now subject to interruption on 30 days' notice. Provides for a customer service charge of \$750.00 per customer per month and a commodity charge of \$.46088 per therm.

**Proposed Rate Schedule No. 8, Alternate Fuel Displacement Rate:** Available to any customer for uses in maximum volumes specified by contract for existing equipment which previously used an alternate fuel or in new equipment not purchased to replace existing gas fuel facilities where in the judgment of MichCon the gas purchased will be used to displace alternate fuel usage. States that purchases under this rate schedule are limited to a term of four years. Provides for customer service charge of \$100 per month and a commodity rate of \$.42500 per therm.

**Proposed Rate Schedule No. 9, Optional Large Volume Rate I:** Available to any customer, in maximum volumes specified by contract, for any use except spaceheating. Provides for three options specified in contract:

Option A: \$5,000 monthly customer service charge; \$.48531 per therm commodity rate.

Option B: \$9,000 monthly customer service charge; \$.48374 per therm commodity rate.

Option C: \$14,000 monthly customer service charge; \$.48325 per therm commodity rate.

**Proposed Rate Schedule No. 10, School Rate:** Available to each individual school which agrees by written contract to use gas purchased only in school buildings as defined therein. Provides for a customer service charge of \$200.00 per customer per month and a commodity charge of \$.49441 per ccf. Proposed Rate Schedules 1, 5, 6, 7, 8 and 9 are available to customers who are not subject to incremental pricing provisions of the Natural Gas Policy Act of 1978. Customers who otherwise qualify for these rates, but are subject to incremental pricing must take service under the corresponding incremental rate schedule (i.e., 1, 1, 5, 1, 6, 1, 7, 1, 8, 1, 9, 1) and in some circumstances pay additional charges.

9. MichCon's proposed tariff changes include:

(a) Lowering the age limitation on Rate Schedule No. 3 from 65 to 62 years.

(b) Adding a new Rate Schedule No. 5 which would help make MichCon's rate to its largest customers more competitive with other fuels.

(c) Adding a restriction to Rate Schedule No. 7 with the respect to the use of alternate fuels when gas is available and changing the penalty rate applicable to use during interruptions.

(d) Broadening Rate Schedule No. 8 to permit displacement of alternate fuels other than oil.

MichCon has proposed additional new non-rate tariff provisions:

a. A \$10 charge would be imposed any time a check rendered by a customer for gas service is dishonored by the customer's bank.

b. Elimination of redundant language in Rule 28.

c. Increase the reconnect charge after cut and cap from \$60 payable over 12 months to \$100 payable prior to reconnect, and delete the requirements for a claim and delivery action before the reconnect charge can be assessed. Increase the reconnect charge for all other circumstances from \$10 to \$25.

MichCon has filed written testimony and

exhibits in support of the gas rate increase requested. MichCon states that this material will be promptly furnished to all Rule 11 intervenors in MichCon's most recent gas rate proceeding, Case No. U-6839, and will promptly be made available to any person seeking to intervene in this proceeding pursuant to Rule 11.

Copies of MichCon's proposed Rate Schedules are available upon request to Mr. W. K. McCrackin, Vice President, Rates and Regulatory Affairs, Michigan Consolidated Gas Company, 500 Griswold Street, Detroit, Michigan 48226.

Jurisdiction in this matter is pursuant to 1909 PA 300, as amended MCLA 462.2 et seq.; Section 4 of 1919 PA 419, as amended MCLA 460.54; Sections 4, 6, 6a and 6b of 1939 PA 3, as amended, MCLA 460.4, 460.6, 460.6a and 460.6b; Section 3 of 1923 PA 238, as amended MCLA 486.253; Chapter 4 of 1969 PA 306, as amended, MCLA 24.271 et seq.; and the Rules of Practice and Procedure before the Commission, 1954 Administrative Code Supplement No. 54, R 460.11 et seq.

## NOTICE IS HEREBY GIVEN THAT:

A. The initial hearing in this case will be held at 9:30 a.m. on October 6, 1982 in the offices of the Commission, Merchantile Building, 6545 Merchantile Way, Lansing, Michigan, which hearing will be in the nature of a pre-hearing conference and will be held for the purpose of exploring and, if possible, agreeing upon matters which will expedite this proceeding, including but not limited to, the following:

1. Determining the parties to the proceeding, the nature of their appearances and the positions they are taking in the proceeding, as well as the facts they intend to controvert or give evidence of, all in accordance with the provisions of Rule 11 of the Rules of Practice and Procedure before the Commission.
2. Establishing a time schedule for the filing of responsive pleadings to the application by the Commission Staff and/or intervenors, as well as for the filing of the testimony and exhibits of the Staff and/or intervenors.
3. Simplifying and defining the issues in this proceeding.
4. Obtaining admissions as to, and stipulations of, facts, not remaining in dispute, the authenticity of documents, and matters of public record.
5. Determining the number and identity of witnesses.
6. Specifying the schedule for the exchange of proposed exhibits and written testimony and the reduction of oral testimony to written form.
7. Establishing procedures for the hearing.
8. Specifying a further schedule of dates of hearing.
9. Considering any other matters which may aid in the orderly conduct of the hearing and the disposition of the proceeding.

B. Public hearings for the special purpose of taking statements and testimony of any interested persons desiring to be heard on this matter shall be held as follows:

**Grand Rapids**—November 16, 1982 at 1:30 p.m. and 7:30 p.m., in the Michigan Room, State of Michigan Office Building, 350 Ottawa, N.W.  
**Detroit**—November 18, 1982 at 1:30 p.m. in the 21-C Con-

ference Room, North Tower, State of Michigan Plaza Building, 1200 Sixth Street.

**Dearborn**—November 18, 1982 at 7:30 p.m. in the Auditorium of Henry Ford Centennial Library, 16301 Michigan Avenue.

C. Public hearings for the purpose of introducing the previously filed evidence, and any corrections thereto, into the record and commencing cross-examination of MichCon's witnesses for purposes of immediate and partial rate relief as well as final rate relief will commence on a date to be established by the Administrative Law Judge at the prehearing conference on October 6, 1982.

D. A public hearing will be held on MichCon's Motion for Partial and Immediate Relief at an appropriate time during this rate proceeding.

E. The Commission has commenced an investigation into the existing gas rates, charges, revenue deficiencies or excesses, services, practices, procedures and operations of Michigan Consolidated Gas Company, and the investigation will not necessarily be confined to matters contained in the application but will include all matters pertaining to the reasonableness and justness of its gas rates, charges, operations and practices as may be necessary to enable the Commission to determine whether the existing or proposed rates and charges are unreasonable, excessive or inadequate and should therefore be increased, reduced or altered.

F. Any person seeking to intervene, in accordance with Rule 11 of the Rules of Practice and Procedure before the Commission, shall file with the Commission, on or before September 29, 1982, an original and 12 copies of a petition to intervene, together with proof of service upon MichCon.

Subparagraph (2) of said Rule 11 provides as follows:

"(2) A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right of interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely to advise the parties and the commission of the specific issues of fact or law to be raised or controverted." (Emphasis added)

The Commission will require strict compliance with the above-quoted rule.

G. THE INCREASES DESCRIBED IN THIS NOTICE HAVE BEEN REQUESTED BY MICHIGAN CONSOLIDATED GAS COMPANY. THE MICHIGAN PUBLIC SERVICE COMMISSION MAY EITHER GRANT OR DENY THE REQUESTED INCREASE, IN WHOLE OR IN PART, AND MAY GRANT A LESSOR OR GREATER INCREASE THAN THAT REQUESTED, AND MAY AUTHORIZE A LESSOR OR GREATER RATE FOR ANY CLASS OR CLASSES OF SERVICE.

H. Michigan Consolidated Gas Company shall, at least 10 days prior to the initial hearing of October 6, 1982, have available for inspection at each of its District Offices in its gas service area a copy of its application, Motion for Partial and Immediate Relief, testimony, exhibits and its proposed rate schedules.

### 4-H ...What's In It For You

**4-H - for you!**

4-H is an educational, exciting and fun-filled organization for youth, 4-H is open to all regardless of race, color, national origin or place of residence.

Though 4-H began as an organization for rural youth, in recent years it has expanded and involves youth from all backgrounds - urban, suburban and rural.

**4-H Leaders**

The backbone of Michigan's 4-H Youth Program is its volunteer leaders. 4-H leaders help members with their projects; share their hobbies, interests and knowledge; and receive great satisfaction knowing that their involvement helps today's young people become mature, responsible adults. Without their support the 4-H Youth Program would not be possible.

4-H leaders come from all walks of life. Housewives, factory workers, professionals, retirees and older teens can all become 4-H leaders. All you need is the desire to work with and help young people.

A variety of materials and training sessions are available to help volunteers become good 4-H leaders.

One of the greatest resources for 4-H leaders is the local county Cooperative Extension Service. The 4-H Youth agent, 4-H program assistant and other Extension agents in agriculture, family living and natural resources are available to help you. They can put you on the 4-H leader mailing list, invite you to special 4-H leader training sessions and give you various resource materials to help you organize and develop your 4-H club. They also can give you names of other experienced 4-H leaders whom you can call if you have any questions.

**Common Questions**

Perhaps the most often asked questions by potential 4-H leaders are: "How much time will it take?" "How much does it cost?" and "Where can a club meet?"

As a volunteer leader, you determine how much time you wish to contribute to the 4-H Youth Program. Many 4-H leaders meet with their members once a week after school for two or three hours. Others meet on Saturdays once a month. Some leaders serve as resource people for specific project areas and conduct several training sessions during the year. Talk to your 4-H program assistant to find out how you can become involved.

**Cost**

There are no state or national dues for 4-H members or leaders. However, some clubs do charge dues or hold money-making activities to raise money for club events. No member or leader should be excluded from participating in 4-H activities because they are unable to pay dues.

4-H members are responsible for the cost of materials needed to complete their project. The cost of a 4-H project varies from project

to project. The cost of a 4-H project should be realistic to the families situation. Many times 4-H leaders help their members determine how large a project is possible with the resources available.

**Meeting Places**

4-H meetings can be held just about anywhere. Some clubs meet in the members' or leaders' homes. Other clubs meet in nearby churches, schools or community centers. Any place that is large enough and convenient to the club's members and leaders is suitable.

If you are interested in becoming a 4-H leader, contact Ann Stephenson, 4-H Program Assistant at the Cooperative Extension Office.

### Regional Stroke Conference Here Oct. 22

A Regional Stroke Conference will be presented by the Michigan Heart Association on Friday, October 22, at the Holiday Inn Holiday in Grayling.

At the conference, physicians, nurses and other health care providers will learn updated information on pathogenesis, recognition and acute long-term management of patients with stroke.

Also to be covered in the conference is information on a field study in brain screening currently being conducted by MHA in the Grand Traverse area. The goal of the brain screening is to determine whether it is feasible to screen the general populace for certain arterial sounds that may be a predictor of stroke.

Among the speakers at the program will be: Roger M. Morrell, M.D., Ph.D., Chief of Neurology at VA Medical Center, Allen Park; Raphael Adler, Ph.D., Director of Speech Pathology at St. Joseph Mercy Hospital, Pontiac; and Charles Danek, M.D., Director of the Department of Physical Medicine and Rehabilitation at Munson Medical Center, Traverse City.

The course will provide 6 hours of Category I Continuing Medical Education credits.

Registration fee is \$50.00 for physicians and \$25.00 for nurses and rehab professionals. Registrations must be received by October 15, 1982.

For more information, contact Jean Y. Mayer, Michigan Heart Association, 16310 West 12 Mile Road, P.O. Box 160-LV, Lathrup Village, Michigan 48076, phone (313) 557-9500.

The Michigan Heart Association is a United Way agency.

### Attention 'Special People'

Volunteers are "Special People". They find time in their busy daily schedule to become involved in volunteer work. Many "special people" are volunteering their time to help the children of the Crawford AuSable School District. For example, Volunteers are working with children on a one to one basis in the Grayling Elementary Reading Room, working in the lunchroom, helping on the playground, collecting money on Stamp Day, working in the classrooms, and many have helped out on "especially busy days".

The qualifications are mainly to possess a desire to want to help kids grow, to enjoy them, to get along with people, and to be dependable.

If you have some time to share and want to become involved, please call Pat Dabb at 348-7641, ext. 52.

### COMMISSION ORDER

#### BOBCAT HARVEST REGULATIONS

The Natural Resources Commission at its meeting on June 12, 1982, under the authority of Secs. 1, 2, and 3, of Act 230, P.A. 1925, as amended, Secs. 38 and 39a, Chapter IV, and Sec. 1, Chapter V, Act 286, P.A. 1929, as amended, established rules for the taking of bobcats, during winter and spring.

1. Seasons:  
Zone 1 - Hunting and trapping, October 25 of one year through February 28 of the following year.  
Zone 2 - Hunting only, January 1 through February.  
Zone 3 - Closed to hunting and trapping.

2. Shooting Hours:  
7:00 a.m. to 6:00 p.m. local time

3. Areas:  
Zone 1 - The Upper Peninsula, except Bois Blanc Island & Drummond Island, which will be under Zone 2 regulations.  
Zone 2 - Cheboygan, Emmett, Presque Isle, Oscoda, Otsego, Montmorency, Alcona, and Alpena counties; also Bois Blanc Island & Drummond Island.

4. Registration:  
Any person killing a bobcat shall present the whole animal at a Department of Natural Resources district office or other designated field office within 72 hours of the kill. There, a confirming seal shall be attached and information obtained from the licensee as to date, place, and manner of kill and other pertinent information deemed appropriate. No taxidermist or fur buyer shall accept, possess, or process in any fashion, a bobcat or bobcat pelt without the confirming seal attached. Sealing of pelts will qualify the fur for foreign export under regulations enforced by the Endangered Species Scientific Authority. Registration hours will be during regular working hours or where offices are open for some other purpose after hours.

## 1972 Class Reunion Held

The class of 1972 held its ten year class reunion at a certain Milliken cottage on Lake Margrethe Saturday, August 14th. Preceding this, some chose an optional river trip on the AuSable.

The attendance at this year's reunion was once again very good. All total 74 were in attendance, coming from as close as three blocks and as far away as Eagle River, Alaska.

A delicious buffet was catered. Highlighting the evening was an awards banquet conducted by Jenelle Golinick McClain and Mary Kay Hunter Blaauw.

Awards to our expectant mothers went to the following: Michelle (Mitchell) Marelich, Molly (Flannigan) Weideman, Janet (Brooker) Cogswell, Sue Hagle, Sandy Latusek, Deb (Miller) Weaver, and Diane (Duley) Payne. The award for the most kids (4) went to Linda (Knuth) Pelton. Deb (Hawley) Calkins won an award for being married the longest; and Diane (Duley) Payne was awarded for being a newwed.

Those receiving awards for coming the farthest were: Mike Sparks, Rhonda Morningstar, Michelle (Mitchell) Marelich, Rick Hallett, Kim (Smith) Randall and Pam (Pearsall) Fulkerson.

Tracy Olender and Sheila Hulbert were presented an award for being engaged. Miscellaneous awards were also given in conjunction with the questionnaires sent out about the reunion. Our class sponsors, Paul Lerg and Lacey Stephan and wife were also presented awards.

This year's planning committee consisted of Janice Annis, Mike McNamara, Glen Hagle, Dennis Harland, Ernie Balch, Jenelle McClain, Cheryl Millikin, Renee Deman, Deb Calkins, Linda Pelton, Vicki Anthony, Janet Cogswell, Tracy Olender, Mary Kay Blaauw, and Paul Lerg.

Those in attendance from Grayling and Frederic were the class sponsors, Paul Lerg, Lacey Stephan and wife, Carol, Jenelle (Golinick) McClain, George and Linda (Knuth) Pelton, Ron and Debbie (Hawley) Calkins, Tracy (Roper) Olender and guest Dennis Henning, Glen and Sue Hagle, Dave and Cheryl (Bourrie) Millikin, Dennis and Renee (Weaver) Deman, Steve and Liz (Halstead) Weaver, Jim and Diane Tobin, Tony and Sandy Latusek, Mike and Bev McNamara, Bob and Kathy Madsen, Randy and Therese Reed, Bob and Janice (Bobemoyer) Annis, Bev Smock, Dennis Harland and guest Jim Hagerman, Rusty and Pat Papendick, Lori (Lennon) Palmer, Deb (Miller) Weaver, Marcia (Gallagher) Rutter, Ernie Balch, Bill and Lisa Millikin, Jan Thompson and Jed and Mary Kay (Hunter) Blaauw.

Those present from out of town: Rick and Becky Hallett of Toledo, Tom and Karen (Feidhauser) Spirl of New Hudson, Dale Bonamie of Houghton Lake, Dave and Polly (Jensen) Moore, Shelly Hildebrandt, Tom and Janet (Brooker) Cogswell all of Gaylord; Sam and Evie Mead of Ann Arbor, Sheila Hulbert of Fenton, Paul Sojka of East Lansing, Pam (Pearsall) Fulkerson of Wyoming, Jim and Pam (Zimmerman) Rogers of Sheridan, Kim (Smith) Randall of Georgia, Bill and Molly (Flannigan) Weideman of Midland, Dennis and Michelle (Mitchell) Marelich of Alaska, Gary and Diane (Duley) Payne of Tennessee, Mike Sparks and guest Pam Shook of Florida, Rick and Denise Gould of Grand Rapids and Rhonda Morningstar of California.

On Sunday, August 15th the classmates met once again with their children at Hartwick Pines for a picnic. The youngest present was Cheryl Papendick 5 1/2 month old daughter of Rusty and Pat Papendick and the oldest was Nichelle daughter of Janice and Bobby Annis.

## Notice of Mortgage Sale

Default having been made in the conditions of a certain Mortgage made by Thomas E. Smith, a single man to Vern Heibrunn, T. ## City Council Proceedings

Regular meeting of the City Council held September 13, 1982. The meeting was called to order by Mayor Pro-Tem Golinick at 7:30 p.m.

Members Present: Latuszek, Sloan, Golinick, Sabin. Members Absent: Thompson.\* Also in Attendance: Jerry W. Morford, City Manager; Allen V. Schreiner, City Treas.; Patricia Schreiner, Mikel Stanley, Russ DeHart, Lora Gould, Linda Goddard, Sheri Fairbrother, Don Sorenson, Mary Harland.

Motion by Latuszek, supported by Sloan that the minutes of the meeting of August 30, 1982 be approved as presented. Ayes: 4, Nays: 0, Absent: 1, motion carried.

Communications were received and noted. From the City Treasurer re: August Financial Report. From M.M.L. re: Legislative Bulletins. From Grayling Township re: Swamp Tax.

\*Mr. Thompson was now present. Motion by Golinick, supported by Sloan that the City Council go on record as supporting the Grayling Township Resolution in regard to Swamp Tax. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Citizens who wish to speak. Ms. Gould appeared to discuss the proposed new 18 unit Senior Citizens Complex. She stated that HUD has changed the design of the complex several times and now has deleted the elevator and outside doors to each unit from the proposal. Ms. Gould noted that many elderly persons cannot carry packages up stairs. She noted several items of correspondence related to this problem. Council asked several questions about the project and the problems she is encountering. Mr. Thompson suggested to Ms. Gould that she should continue to try to resolve the problems with HUD and get the building built according to the previously approved plans. Ms. Gould proposed contacting various Senators and Representatives to seek their aid. Mr. Sabin said that while he favored the outside doors he felt that the elevator was perhaps not a necessity. Mr. Golinick stated that if anything should be deleted he would rather see the elevator removed than the doors. Council favored installation of the outside doors 5 to 0. 3 Council persons favored including the elevator with 2 expressing doubt. This would mean Ms. Gould will be pursuing the building as previously approved by HUD if the Housing Commission concurs with Councils thinking on the subject.

Old Business. The City Manager reminded Council that Mayor Pro-Tem Golinick, Mr. Schreiner and he would be attending the M.M.L. Annual Conference, the 15th, 16th, 17th and 18th of September. Mr. Morford reported on the progress of the 1982 Street Construction. The Curb and Gutter crew is working and preparation of the base for the blacktop is underway. The project is on schedule and should be completed by the October 15 deadline. Mr. Golinick asked about fill behind the curb. Mr. Morford said that this should include top-soil and seeding.

The City Manager noted that the Canoe Livery sign which was discussed at the last meeting has been moved.

New Business. There was no new business. Reports of Councilmen.

Mr. Sabin noted that he would like to compliment the City for the sidewalk repair which has been done to date and would hope for continued progress on the school walk project.

Mr. Thompson noted that he has received a quotation for "Keys to the City" but he felt that the price is too high. Council agreed that the quote should be rejected and other sources explored.

Reports of City Manager. Mr. Morford reported on the following: Mr. Morford reported that he will be submitting to the Michigan Department of Treasury the necessary documents relative to the Act 255 Tax Exemption Certificate granted to Delights Inc. at the last meeting.

Mr. Morford requested City Council to enter Executive Session to discuss a personnel matter.

Motion by Sabin, supported by Golinick that Council enter closed session to discuss a personnel matter at 8:45 p.m. Ayes: Sabin, Golinick, Thompson, Sloan, Latuszek, Nays: 0, Absent: 0, motion carried.

Council entered Executive Session at 8:45 p.m. Council resumed Regular Session at 9:10 p.m.

Adjournment. Motion by Golinick, supported by Sloan that the meeting be adjourned. Ayes: 5, Nays: 0, Absent: 0, motion carried. The meeting was adjourned at 9:11 p.m.

Jerry W. Morford City Manager & City Clerk

### Need to STRETCH?

God apparently didn't want us to be cramped. He gave us the ability to stretch!

Whenever we begin to feel cramped that ability to stretch becomes an impelling need.

The soul shares with the body its restlessness, its aversion to being cramped. And the soul too has been given the ability to stretch—through worship, to reach out toward God.

Because all week our souls are sorely cramped that ability to worship becomes an impelling need.

Worship with us next week. Your soul needs to stretch!

# Vikes Fall 27-0

by Jon Thompson

A fumble and an interception in the endzone early in the first half sank the Vikings upset bid allowing Cheboygan to win their 39th in a row, 27-0.

Grayling was seeking a tying touchdown in the first quarter when a fumble on the Cheboygan 10-yard line ended the drive. The big Chief team took advantage of the fumble and drove for another touchdown to take a 14-0 lead.

Grayling came right back moving the ball back to the 25-yard line of the Chief's but were thwarted again with an interception in the end zone this time.

Cheboygan stomped on Grayling while they were down scoring twice more in the second period. Grayling came back strong in the second half shutting down the visiting team and moving the ball well. The Vikings couldn't push the ball across the end line, however. They got as close as the five yard

line before fumbling again on the rainy night. Head coach Bill Klinger said his squad played well but failed to capitalize on golden opportunities.

Junior Greg Helsel led the defense that Klinger praised for hitting with the big class B team.

"We hit with them the whole night. They didn't push us around," Klinger said.

Helsel had 22 tackles in his linebacker spot. Mike Hickey made 12 tackles from his linebacking spot.

Klinger said his linebackers and backfield men were able to make a lot of tackles because the defensive line did a good job of containing the offensive

line and keeping them from firing out past the line of scrimmage to make downfield blocks.

Offensively, senior Jim Hill led the attack with 75 yards rushing. Quarterback Jim Stewart threw for 5 completions in 15 attempts with a big 26-yard pass to Hickey during the Vikings first drive.

Jeff Kea, Ryan Morford, and Hickey ran well most of the night along with Hill behind the blocking of Paul Hamlin, Bob Keene, Kevin Wakeley, Mike Petrie, Helsel, Brad Emerick, and Joe Riddle.

The Vikings clash with Petoskey Friday night at Petoskey. In J.V. action last week Cheboygan defeated Grayling 22-12.

### Adult Enrichment Classes

## Hanson Park Education Program Begins Monday

Adult Enrichment Classes offered by the Grayling Recreation Authority will get underway at 7:00 p.m. Monday evening at Hanson Park. All classes will be held in the lodge building at the park and all classes begin at 7:00 p.m. Tuition for all classes has been set at \$12.50 per class. Classes being offered during the fall term are as follows:

**Oil Painting**—whether you are a beginner or an accomplished artist, you will be able to improve your present skill. You may use either oils or acrylics. This class meets Wednesday evenings beginning Sept. 29.

**Upholstery**—an opportunity for you to learn a profitable, home improvement skill. Bring that old chair or couch along and turn it into a handsome new piece for your

home at a fraction of the replacement cost. This class meets on Tuesday and Thursday evenings for 4 weeks.

**Nature Photography**—a great time of year for a class of this type. Learn to capture the fall colors as well as create your own nature abstracts. Topics to be covered in this class include form and composition, types of film and their uses, and camera equipment care and maintenance. Both black and white and color film will be used.

**Taxidermy**—learn the art of mounting small animals and birds. Create your own display complete with natural surroundings. Learn the basic techniques that can lead to an interesting hobby and pastime. This class will meet each Monday evening for 8 weeks.

**Cake Decorating**—a great class because you can eat all of your mistakes. Learn to create those works of art for your special day dessert. This class begins on Tuesday, Sept. 28 and runs for eight weeks.

**Beginning Folk Guitar**—a chance for you to learn to play the guitar and at the same time have a great deal of fun with others who have the same interest. Bring your guitar to the park and learn to play with your friends on Wednesday evenings.

**Fundamentals of Tax Advantaged Investments**—a great class for those who are interested in saving money. This class will be conducted by a recognized investment firm from Traverse City. Topics to be covered include types of investments, the stock market, mutual funds, income producing properties, investing in oil and gas property, how to read the Wall Street Journal and reducing your Federal Estate Taxes. Tuition for this class is only \$5.00. The class will begin on October 7 and meet for 5 weeks.

Registration for all classes being offered at Hanson Park can be completed the first night of the class. For more information call the park at 348-9266.
